Preferred Citation

Charles F. Bolden, Jr. Collection, NASA Headquarters Historical Reference Collection.

Series Description

This series consists of files of the National Aeronautics and Space Administration (NASA) astronaut (1980-1994) and NASA Administrator (2009-2017) Charles F. Bolden, Jr. Records contain materials from Bolden's tenure as a NASA astronaut reflecting selection, training, and flight; correspondence, and memoranda between NASA officials, private sources, and other U.S. Government agencies; and files on program management. Records from Bolden's tenure as Administrator reflect policy studies and analysis; files on program development; correspondence, and memoranda between NASA officials, private sources, and other U.S. Government agencies; records of official meetings; and speeches given before various organizations. Specifically, this series contains correspondence files; speeches; congressional

briefings and budget files; confirmation hearings briefing materials for Bolden; STS-31 mission; STS-61C mission; post-Space Shuttle planning; Constellation program; commercial cargo program; and commercial crew program.

General Notes

Charles Bolden's personal papers were donated to the South Caroliniana Library, University of South Carolina at Columbia in 2018. Speeches held by the HRC have been digitized and placed on the public DMS. Bolden's oral histories held in the HRC have been digitized and are currently available upon request.
