Series Description

This series consists of files of the National Aeronautics and Space Administration (NASA) Associate Deputy Administrator (1992-1999) John R. Dailey. Records contain chronological files collected by Dailey during his tenure as NASA Associate Deputy Administrator reflecting and supporting policy studies and analysis; files on program development; correspondence, and memoranda between NASA officials, private sources, and other U.S. Government agencies; records of official meetings; and speeches given before various organizations. Specifically, this series contains correspondence files; reports; meeting files; program management; International Space Station (ISS) development; and NASA procurement.
