Robert A. Frosch Collection, NASA Headquarters Historical Reference Collection.

Series Description

This series consists of files of the National Aeronautics and Space Administration (NASA) NASA Administrator, Robert A. Frosch. Records contain materials reflecting policy studies and analysis; files on program development; correspondence, and memoranda between NASA officials, private sources, and other U.S. Government agencies; records of official meetings; and speeches given before various organizations. Specifically, this subject contains correspondence files; oral histories; meeting files; speeches; congressional briefings and budget files; appointment calendars; Space Shuttle development and testing; Skylab deorbit; and earth resources program.

General Notes

Robert A. Frosch's personal papers are held by the Jimmy Carter Presidential Library and Museum. Speeches held by the HRC have been digitized and placed on the public DMS. Frosch's oral histories held in the HRC have been digitized and are currently available upon request.
