None.

Use Restrictions

Most government records are in the public domain, however, this series includes commercial materials, such as newspaper clippings, that may be subject to copyright restrictions. Researchers should contact the copyright holder for information.

Copy Status: Research, Use and Preservation

Preferred Citation

William R. Graham Collection, NASA Headquarters Historical Reference Collection.

Series Description

This series consists of files of the National Aeronautics and Space Administration (NASA) Deputy Administrator (1985-1986) William R. Graham. Records contain materials reflecting policy studies and analysis; files on program development; correspondence, and memoranda between NASA officials, private sources, and other U.S. Government agencies; records of official meetings; and speeches given before various organizations. Specifically, this series contains correspondence files; speeches; congressional briefings and budget files; and Challenger (STS-51L) accident.

General Notes

William Graham's personal papers were donated to the Ronald Reagan Presidential Library in 2007. Speeches held by the HRC have been digitized and placed on the public DMS. Graham's oral histories held in the HRC have been digitized and are currently available upon request.

Keywords: Office of the Administrator; Presidential Science Advisor; space policy; White House Office of Science and Technology Policy (OSTP); aerospace planes; Challenger accident; expendable launch vehicles; James M. Beggs; Philip E. Culbertson; Gerald D. Griffin; Marvin Kalb; Jesse W. Moore; Thomas O. Paine; and Carl Sagan.
