Use Restrictions

Most government records are in the public domain, however, this series includes commercial materials, such as newspaper clippings, that may be subject to copyright restrictions. Researchers should contact the copyright holder for information.

Copy Status: Research, Use and Preservation

Preferred Citation

Michael D. Griffin Collection, NASA Headquarters Historical Reference Collection.

Series Description

This series consists of files of the National Aeronautics and Space Administration (NASA) Associate Administrator for Exploration (1991-1993), NASA chief engineer (1993-1994), and NASA Administrator (2005-2009) Michael D. Griffin. Records contain materials from each of Griffin's NASA positions reflecting policy studies and analysis; files on program development; correspondence, and memoranda between NASA officials, private sources, and other U.S. Government agencies; records of official meetings; and speeches given before various organizations. Specifically, this subject contains correspondence files; speeches; congressional briefings and budget files; Constellation program; Space Exploration Initiative (SEI); and space commercialization initiatives.

General Notes

Michael Griffin's personal papers have not yet been donated. Speeches held by the HRC have been digitized and placed on the public DMS. Griffin's oral histories held in the HRC have been digitized and are currently available upon request.

Keywords: Space commercialization; space policy; Constellation program; international cooperation; Orbital Sciences Corporation (OSC); and Space Exploration Initiative (SEI).
