### **Series Description**

This series consists of files of the National Aeronautics and Space Administration (NASA) Associate Administrator for Aeronautics and Space Technology (1974-1976) and Deputy Administrator (1976-1981) Alan M. Lovelace. Records contain materials primarily from his tenure as Deputy Administrator reflecting policy studies and analysis; files on program development; correspondence, and memoranda between NASA officials, private sources, and other U.S. Government agencies; records of official meetings; and speeches given before various organizations. Specifically, this series contains correspondence files; meetings files; speeches; congressional briefings and budget files; development of the Space Shuttle; and re-entry of Skylab space station.

### **General Notes**

Alan Lovelace's personal papers have not yet been donated. Speeches held by the HRC have been digitized and placed on the public DMS. Lovelace's oral histories held in the HRC have been digitized and are currently available upon request.
