None.

Use Restrictions

Most government records are in the public domain, however, this series includes commercial materials, such as newspaper clippings, that may be subject to copyright restrictions. Researchers should contact the copyright holder for information.

Copy Status: Research, Use and Preservation

Preferred Citation

Dale D. Myers Collection, NASA Headquarters Historical Reference Collection.

Series Description

This series consists of files of the National Aeronautics and Space Administration (NASA) Associate Administrator for Manned Space Flight (1970-1974) and Deputy Administrator (1986-1989) Dale D. Myers. Records contain materials mostly from his tenure as Deputy Administrator reflecting policy studies and analysis; files on program development; correspondence, and memoranda between NASA officials, private sources, and other U.S. Government agencies; records of official meetings; and speeches given before various organizations. Specifically, this series contains correspondence files; speeches; oral histories; appointment calendars; congressional briefings and budget files; post-Challenger (STS-51L) Shuttle Return to Flight; Apollo program; and Myers' roles at North American Aviation and

Rockwell International.

General Notes

Dale Myers' personal papers have yet to be donated. Speeches held by the HRC have been digitized and placed on the public DMS. Myers' oral histories held in the HRC have been digitized and are currently available upon request.
