None.

Use Restrictions

Most government records are in the public domain, however, this series includes commercial materials, such as newspaper clippings, that may be subject to copyright restrictions. Researchers should contact the copyright holder for information.

Copy Status: Research, Use and Preservation

Preferred Citation

Thomas O. Paine Collection, NASA Headquarters Historical Reference Collection.

Series Description

This series consists of files of the National Aeronautics and Space Administration (NASA) Deputy Administrator and NASA Administrator, Thomas O. Paine. Records contain materials reflecting policy studies and analysis; files on program development; correspondence, and memoranda between NASA officials, private sources, and other U.S. Government agencies; records of official meetings; and speeches given before various organizations. Specifically, this subject contains correspondence files; oral histories; meeting files; speeches; congressional briefings and budget files; information on 1969 Space Task Group (STG) activities; Paine's assessments of NASA after leaving office; and materials related to Paine's interest in the history of submarine warfare.

General Notes

Thomas O. Paine's personal papers are held by the Library of Congress storage facility at Fort Meade. Contact the Library of Congress Manuscript Division at least two business days prior to a visit to provide time for the material to be sent to the Manuscript Division for viewing. Speeches held by the HRC have been digitized and placed on the public DMS. Paine's oral histories held in the HRC have been digitized and are currently available upon request.
