Preferred Citation

Space Shuttle Landing Sites Subject Files Collection, NASA Headquarters Historical Reference Collection.

Series Description

This series consists of Space Shuttle prime, backup, and emergency landing site files collected by the National Aeronautics and Space Administration (NASA) Headquarters archivists for inclusion in the Historical Reference Collection. Records contain materials collected from the Office of Manned Space Flight (OMSF), Office of Space Flight (OSF), contractor historians, and NASA retirees reflecting and supporting policy studies and analysis; files on program development; correspondence, and memoranda between NASA officials, private sources, and other U.S. Government agencies; records of official meetings; oral histories and speeches given before various organizations. Specifically, this series contains correspondence files; reports;

Last Updated May 17, 2019
meeting files; speeches; NASA and State Department negotiations for international Space Shuttle emergency landing sites; and Shuttle emergency landing site selection.

**General Notes**

NASA official records relating to the Space Shuttle program are held in the National Archives at College Park, MD (HQ); Atlanta, GA (MSFC, KSC, MTF, and MAF); and Ft. Worth, TX (MSC/JSC).

**Keywords:** Space Shuttle landing sites; Space Shuttle program; international cooperation; Chile; Spain; and White Sands Missile Range (WSMR).
