Series Description

This series consists of files collected by National Aeronautics and Space Administration (NASA) Headquarters contract historian Susan Rosenfeld. Records contain material collected by Rosenfeld for an unpublished manuscript on the Space Flight Participant Program (SFPP) reflecting policy studies and analysis; files on program development; correspondence, and...
memoranda between NASA officials, private sources, and other U.S. Government agencies; records of official meetings; oral histories and speeches given before various organizations. Specifically, this series contains correspondence files; reports; meeting files; speeches; oral histories; Teacher In Space Program (TISP); Journalist in Space Program (JISP); effect of Challenger (STS-51L) accident on TISP program; revival of TISP as Teaching From Space program; creation of Educator Astronaut Program (EAP); and effect of Columbia (STS-107) accident on EAP. The material is arranged into five subseries: Educator Astronaut Program (EAP), Journalist In Space Program (JISP); Teacher in Space Program (TISP); Space Flight Participant Program (SFPP), and Audiovisual.

**General Notes**

NASA official records relating to the Space Shuttle program are held in the National Archives at College Park, MD (HQ); Atlanta, GA (MSFC, KSC, NSTL/SSC, and MAF); and Ft. Worth, TX (JSC).
