Preferred Citation

Space Station Freedom Congressional Files Collection, NASA Headquarters Historical Reference Collection.

Series Description

This series consists of Space Station program files collected by the National Aeronautics and Space Administration (NASA) Headquarters archivists for inclusion in the Historical Reference Collection. Records contain materials collected from the Office of Space Flight (OSF) on the Space Station Freedom (SSF) program reflecting and supporting policy studies and analysis; files on program development; correspondence, and memoranda between NASA officials, private sources, and other U.S. Government agencies; records of official meetings; and speeches given before various organizations. Specifically, this series contains correspondence files;
